DETAILED ACTION

Notice to Applicant

1. This communication is in response to the Appeal Brief filed on 6/23/07. Claims 1, 3-17, 19-31, and 33-36 are pending.

Allowable Subject Matter

2. Claims 1, 3-17, 19-31 and 33-36 are allowed. The following is an examiner's statement of reasons for allowance and in light of Applicant's arguments.

The closest prior art of record et al (5,772,585) discloses system and method for managing patient medical records.

Brown et al (6,032,119) discloses personalized display of health information.

However, none of the prior art discloses/suggests "displaying, in the display of the portable device, a main menu of selectable views, wherein the selectable views consist of a patient bio view, a medical history view, a patient medication schedule view, an appointment schedule view, and a log view, and wherein the appointment schedule view displayed in the display of the portable computing device differs from the appointment schedule view that is displayable on a display at the physician computer, and wherein direct selection of one of the selectable views results in that selected view being displayed independently of the other selectable views".

Claims 3-10, 12-16, 19-24, 26-30, 33-36 incorporate the features of claims 1, 11, 16, 25 and 29 through their dependencies, and are also allowed for the same reasons given above.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Janiki K. Davda on 11/28/07. During the interview, Attorney agreed as the followings:

In claim 25, line 4, to delete "comprising" after manufacture and insert – including-- therefore.

In claim 31, line 4, to delete "comprising" after manufacture and insert -including- therefor. Still in claim 31, line 6, to delete "including" after data structure and insert - consisting of- therefore. Furthermore, in claim 31, line 13, to delete "comprise" after the selectable views and insert –consisting of- therefore.

No further questions were discussed and no further amendments were made.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
